I am a Business Information Systems (BIS) student at Cairo University (Expected graduation June 2026), currently interning at CIB Egypt. I completed the 'Green Leap' program, gaining deep insights into ESG, Sustainable Finance, and Climate Risk Management in collaboration with the IFC and Frankfurt School. My passion lies at the intersection of Flutter Development, Data Analysis, and Financial Technology. I aim to leverage my technical skills to drive responsible innovation and support sustainability within the financial sector.
